## Chapter 1 by person

"STOP!" someone said to the narrator it was the interrupting chicken "How is anyone gonna read this story if it doesn't even ave a proper title?" "Wait could you at least write my story or else the Author won't pay me for it" said Joe The Narrator "If you have any problems with the script that is for the Author" "Where is that author guy anyway?" The chicken asked. "That guy he was too lazy to write his story himself. He even is too lazy to hire a proper author that's why there is no pictures, and I still have to write the story anyway. Hey could you go run up to the Author and get my script" Joe answered.
